For my safety and to others I think that the new channels provided to my service on weather XM RADIO SHOULD REMAIN. It gives me a chance to get instant traffic and weather before enter and can make alternate routes if a traffic problem to seek shelter if bad weather. I pay for this service and the NAB should not be able to dictate what I should hear. SO I REJECT THE NAB PETITION 04-160. Thank you for being able to express my view. PAT BELCHER- NAVARRE FLORIDA
